

FASTTRACKING YOUR SUCCESS THROUGH WINNING PUBLIC SECTOR BUSINESS!

PROCUREMENT WORKSHOP

- ✓ Are you a start-up company aiming to achieve big things?
- ✓ Are you interested in elevating your public tendering success rate?
- ✓ Do you want to take advantage of expert training and consultancy?

If so, then look no further...our FREE 2-day training package includes:

- An opportunity to engage in a practical **exercise** that fast tracks your understanding of how to create a winning bid...
- Session on **demystifying the procurement process** and the legal issues that surround it
- Advice on tendering strategy and management...how you can approach tendering in the most efficient and effective way!
- Guidance on accessing **cross-border public sector opportunities**
- An interactive exercise on procurement of innovation and how it affects fast growth start-ups

Day	Time
3 rd February (Tuesday)	9:00 – 16:00 (+ Free lunch)
4 th February (Wednesday)	9:00 – 15:00 (+ Free lunch)

This is a bespoke, hands-on training programme, designed to meet the needs of **high potential start-ups** and delivered by tendering experts from the Institute for Competition & Procurement Studies of Bangor University in Wales and an expert in Dutch public procurement. Working language of the workshop is English.

Where? Conference Center, High Tech Campus 1, 5656 Eindhoven
When? 3rd & 4th February, 2015
